

Stunning, south-facing Vail Mountain views

Solaris Residence #5B East, Vail Village
NOW OFFERED AT \$7,995,000
4 beds | 4.5 baths | 2,550 sq. ft.

This extraordinary mountain residence in downtown Vail Village is a spacious and inviting getaway with unmatched convenience and amenities. This four-bedroom, fifth-floor condominium boasts a southern exposure, bathing residents in sunlight while gazing up at unmatched scenery of Vail Mountain.

Inspired by the classic lodges of Europe, modern neutral color schemes and furnishings by Worth Interiors, helps this residence exude a sense of calm. With an abundant living space, the residence consists of an open floor plan, perfect for entertaining guests and gathering with family. The great room flows seamlessly

into the dining area and sleek, modern kitchen, which features mist black granite countertops, Wolfe/Sub Zero appliances and wine storage.

The home's technology is state of the art and unrivaled among Vail Village properties. Crestron Home Automation controls shades, lighting, climate and integrated audio throughout the residence, as well as communications with the front desk. Radiant heated floors and forced air conditioning are propelled by equipment centralized in the garage, which avoids occupying square footage within the residence. www.solarisvail5BEast.com
