Majestic Mansion with Panoramic Views

Tiburon, California

6 Beds | 5 Baths | 2 Half-Baths | ±0.94 acre

\$7,888,000

A spectacular high quality contemporary residence with panoramic views of San Francisco Bay from every room, this majestic ±7,693 sq ft 6 bedroom, 5 full baths and 2 half-baths mansion was built in 2006 on a ±0.94 acre lot adjacent to Tiburon open spaces with ample privacy. The interior features huge windows providing great natural light, the formal living room showcases 2-floor-high ceiling windows that frame the panoramic Bay views, a stunning chandelier, and a fireplace. The formal dining room with matching chandelier connects to a high quality designer kitchen with center island, dining counter for 6 seats, and ample cabinets. This open floor plan includes a butler's pantry, spacious family room with fireplace, a wet bar and a temperature controlled wine cellar, all leading to the expansive entertainment terrace with an outdoor kitchen. The private and opulent master suite features a fireplace,

a separate sitting room, a luxurious bathroom with stunning views and a walk-in closet. 5 other bedrooms all have beautiful Bay views. There is also a deluxe library/media room and a billiard room with a bar. The nearly one acre grounds feature a huge stone terrace with an outdoor kitchen, a bocce ball court, a golf putting green, terraced gardens, a marble gazebo with fire pit, a pool site, a three-car garage, and a gated motor court with a marble fountain and space to park 10+ cars. Downtown Tiburon is just a few minutes away with 2 world class yacht clubs, Bayside bike path, ferry services to San Francisco and Angel Island, great restaurants such as Michael Mina's Bungalow Kitchen, Malibu Farm, Caprice and Sam's Cafe.
